The date of the meeting of the Electorial College was changed by act of Congress approved February 3rd, 1887, to second Monday in January.

#### Fruit Dressing For Shoes.

Orange juice is one of the best dressings for black shoes or boots. Take a slice or quarter of an orange and rub it on the shoe or boot; then when dry, brush with a soft brush until the shoes shine like a looking glass. This is an English receipt. Another fruit dressing is for tan shoes, the inside of a banana skin. Rub the skin all over the shoe thoroughly, wipe off carefully with a soft cloth briskly. Patent leather shoes should not be polished with blacking. These are the hardest kind of shoes to keep declares a fashionable woman.
